## ACTIVITIES & PROGRAMMES

### VOCATIONAL TRAINING PROGRAMME

The organisation conducted the programme in New Delhi. OUR Organization has been running vocational training programme for welfare women, child and youths belonging to the informal economy. It is not just an organization but also a confluence of three movements- labour, self-reliance and self-employment. Our Society started vocational training programme to encourage self-reliance and self-employment for women and youths who were unemployed and searching job. In this programme Society started all educated and uneducated persons in view of their requirements. Under vocational training programme our Society-started computer training, typing, handcrafting, tailoring-sewing, weaving, painting, T.V., Transistor and Tape-recorder repairing programmes.

### CULTURAL PROGRAMME

The organisation conducted the programme in New Delhi. To preserve our rich cultural heritage and traditions we organized dance, folk-song, drama etc. in which young and children participated in good number.

Participants were also awarded for their presentation. In this programme our through the society attained renowned theatre actors & actress and show their programmes like Ramlila, Harishchandra Natak and other classical & folk programmes. Drama, Dance competition, folk art festivals, Music etc. cultural show competition organized by society for entertainment of people and their welfare. Apart this a meeting organized of folk artists on the Gandhi Jayanti. The culture of a country is regarded as accumulated intellectual, emotional and spiritual wealth of that nation. The present day our culture seems to be falling down, so we have the responsibility to sustain our culture and tradition through anyway whether we can do, so we organized many Programmes for it. Organization executed many other programmes as

Educational Welfare Programme and people got benefited in large scale. Some information has also been recorded from different localities for future use.

### SOCIAL EMPOWERMENT WELFARE PROGRAMME

The organisation conducted the programme in New Delhi. The growing social awareness across the globe has brought a number of issues to the fore among which gender equality and empowerment of women are very significant. Discrimination against women in

the form of male- female differentiation constitutes the core of the gender-based system. Gender bias is generated by the process of extending the biological sex differences to the criteria of social placement. The rise in the levels of education, which nourishes progressive outlook, and the advent of industrialization and modernization have effected a sea change in the attitude and thinking patterns of the people. Consequently the idea that women have to be treated on par with men in every respect has gained currency. Empowerment, as the word suggests, is to empower or enable women to do certain things and in most cases it connotes women wielding political power. A deeper understanding of the word throws light on many of its dimensions and implications. The very concept of empowerment of women which is based on equality between sexes, is a long drawn, conscious and continuous process comprising enhancement of skills, capacity building, gaining self- confidence and meaningful participation in decision making. As the foremost precursor to development, empowerment of women comprehensively seeks to ensure an equitable division of resources and carve a clear role for them in decision-making. It helps them articulate theirs as well as other rights and participate actively in the democratic processes. Empowerment also wards off retrogressive practices like female infanticide and gender based violence.
